

GUELPH & DISTRICT MULTICULTURAL FESTIVAL 2016 POSTER & WRITING SCHOOL DISPLAY

Organized by the Multicultural Festival, the objective of the Poster & Writing Display is to add the presence of our schools to our community showcase. Over 1200 students from both School Boards participated, and they beautifully shared their vision of the "ONE WORLD LIVING TOGETHER" theme. Guelph MP Lloyd Longfield, UGDSB Superintendent of Program Tracey Lindsay and WCDSB Principal Kellie Angerilli, presented each class with a certificate of achievement. GDMF Board of Directors, Family and Friends were also there, and extended their congratulations to teachers and students of all participating schools.
