As stated in our constitution:

1. The organization's main purpose is to increase community understanding of a specific culture or cultures, to provide citizens with an avenue to explore and celebrate their own cultural heritage, and to provide Programs & Services designed to support citizens of various cultural heritages in the community.
2. The organization will provide cultures within the community opportunities for involvement and exposure to the performing arts (music, dance, theatre) with programming events and activities.
3. The organization will foster social networks among the citizens, particularly the youth, to provide an opportunity for individuals and groups to discuss and share information about cultural heritage

As a member of the Guelph & District Multicultural Festival, I hereby agree to contribute to the purposes and vision of the organization and abide by its rules and regulations.
